Mrs. Amanda Howry

Hi, my name is Amanda Howry, and I have the honor of being the new First Grade teacher for Sacred Heart. I am more than excited to be a part of such a loving and amazing family of teachers, staff, admin, parents and students! I was able to long term sub in First Grade last year, and quickly realized the dedication of both the teachers and the parents here at Sacred Heart. I have been married for 21 years to my husband Shane, who is a Construction Manager for Engie Solar. I have two children, Madysen who is 17 and going into her Senior year at THS, and my son Dalton, who is 14 and going into his Freshman year as a Bulldog as well. I have a BA in Liberal Arts. I am currently finishing up my Teaching Credential and I am one class away from obtaining my Masters in Education. I taught T-K for over 10 years, as well as owned my own preschool. I have worked in Ministry for most of my adult life. I have been a director in children's ministry, and am now a small group leader for my church's High School Ministry. I love to attend Christian Church camp as a mother and a leader. I love to play board games with my family, BBQ with my husband, garden, and I love, 80's music. I love to teach, and feel I have a calling towards this field. I am truly excited to be working here at Sacred Heart, where I can live out my passion for Jesus, and help as many as I can build their Faith and relationship with and through him! Providing an enriching, safe, academic environment to your child, is what I look forward to this year, and for years to come!

Ms. Carli Stehle

Hello Sacred Heart families! My name is Carli Stehle and I am the new fifth grade teacher! I grew up in Waterford. I earned my BA in English and Creative Writing and Master's degree in Sports Journalism from St. Mary's University, Twickenham (London). While at university, I was on the rugby team and covered Great Britain's National Baseball U23 team for a summer. After returning home from the UK, I completed a Master's Degree in Education from the University of the Pacific while completing a teacher residency at Aspire Public Schools. When I am not at school, I enjoy reading, going to baseball games (Go Giants!), traveling, spending time with loved ones and hanging out with my furbaby Lily! I'm looking forward to an awesome year at Sacred Heart!

Ms. Dominique Germann

Hello, Sacred Heart family! It is with much excitement that I introduce myself as your 6th grade teacher. I attended the Teaching Credential Program at California State University, Stanislaus for the subject areas of English and Introductory Agriculture. Prior to the program, I obtained my Bachelor of Science degree in Agricultural Education - Agricultural Communications, Magna Cum Laude, from California State University, Fresno. I also obtained my Associate of Science degree in Agriculture Business, with Honors, from Modesto Junior College. As a Sacred Heart parishioner, it is a great blessing to combine my love for students, the Catholic faith, and my parish community at this school. I look forward to meeting you and your children in anticipation of a wonderful year ahead!

Ms. Taylor Miguel

Hello, Sacred Heart family! My name is Taylor Miguel, soon-to-be Taylor Nascimento this October! The past three years I have had the honor of working at Sacred Heart Preschool both in the classroom, but mostly in the office so I may be a familiar face to a few of you. Now, I have the honor of joining the Sacred Heart School office as part-time office secretary while continuing my employment at the preschool. I am a SHPS (2-5yrs) and SHS (K-8th) alumnus. I was blessed to be a part of this school for 9 years as a student and I've continued to be blessed as an adult to work at a school I wholeheartedly love. My fiancé, Adam, is also a K-8th alumnus. We will be getting married October 12th this year at Holy Rosary Church. I am currently in my last semester at Western Governors' University where I am obtaining my BA, doubling in both Early Childhood Education and Business Administration. I found myself torn between working in the business field which I thoroughly enjoy or following my love for children and their education and now here I am enjoying the best of both worlds! Sacred Heart is my home away from home. I love this school dearly and am so proud to be a new addition to the SHS faculty.

SACRED HEART SCHOOL & THE FOUNDATION

The Foundation is looking forward to the students and staff returning to school and in doing so we are proud to be able to help our classroom teachers with necessary supplies. All teachers are given an allotted amount of money to spend in their classroom. This has been an ongoing practice and we are happy to be able to continue to do so. The Foundation Board has approved the purchase of 170 sets of headphones and 80 chromebooks to support our foreign language program, totaling over \$10,000. Additionally, The Foundation provided for 5 of our teachers to attend the No Excuses University training this summer, and for a team to go to Notre Dame for specialized enrollment training as well.

The Foundation looks forward to a wonderful school year and with your support we will continue to be able to fund many amazing programs at Sacred Heart School. Please don't forget to pick up your mass intention blue envelope in the school office to celebrate an event or remember a loved one in our first Friday list of names.

UNIFORM ADDITIONS:

Our uniform will have some additions for the 2019-2020 school year. For Friday mass we will wear "mass attire" however, students may wear "mass attire" any day of the week if they wish. "Mass attire" will also be worn for some field trips, masses at neighboring parishes or any other event we feel warrants a more formal dress. The Dennis Uniform Sale will be this Saturday, July 27th in the school gym from 10:00am-12:00pm.

BOYS: White collared shirts, long or short sleeves. Long slacks, gray or navy blue (gray slacks must be Dennis Uniform to keep the shade of gray standard). Dennis Uniform plaid tie, there are different versions, clip on or knot. No sweatshirts are permitted, only sweater vests or sweaters (however sweater vests and sweaters are not mandatory). Shoes need to meet the general requirements of our adopted uniform policy. Boys may change into shorts after mass if they wish.

GIRLS: Plaid jumpers, skirts or skorts, depending on the grade level. White collared shirts, long or short sleeves. Girls may wear the Dennis Uniform plaid tie, there are different versions, clip on or knot. No sweatshirts are permitted, only sweater vests or sweaters (however sweater vests and sweaters are not mandatory). Shoes need to meet the general requirements of our adopted uniform policy.

A BIG thank you to our models for their time and dedication to Sacred Heart School.
