June 26, 2020

Hello Sacred Heart Families,

I hope you are having a great summer and that our students are having fun! Our Re-Opening team has been busy making plans and adjustments for the 2020-2021 school year. At this point, we will move forward with a 5-day in person full return to school! Our first day of school will be Tuesday, August 11, 2020 (a noon dismissal day). We will be creating instructional videos for our students and parents, to teach everyone our new guidelines and procedures. A few of our new procedures are: students will only be asked to wear face coverings when using the restroom and possibly at dismissal, we will space students in classrooms 3 feet apart, start times will be staggered, lunch times will be staggered, staff will wear face coverings when distancing is not possible, visitors will not be permitted on campus unless essential and/or an appointment has been made, we will not be sharing our building with any other group due to sanitizing guidelines. We have an extensive Re-Opening document including many procedures and protocols that we will be following. This document has been reviewed by the Stanislaus County Health Department and aligns with all necessary and recommended guidelines. We are very thankful for their input and guidance through this process. I will be sending out more information as the weeks unfold and as more decisions are made about procedures specifically for our school and building.

At this time, we are encouraging our current families to enroll their students via Ren Web and pay the \$550 registration fee to reserve your student's spot at Sacred Heart School. We plan to open up our available spots on July 1 for outside enrollment and want to make sure all of our current families have had the first opportunity to enroll. We cannot guarantee your student will have a spot if their registration fee is unpaid. We also plan to offer the option of Distance Learning should you wish to have your student learn remotely this year.

In order to enroll your student, please do the following:

1. Log on to Ren Web and go through the enrollment process. If you need assistance Ms. Amanda or Ms. Taylor are happy to walk you through what needs to be done. They can be reached in the school office at 634-7787, daily from 8-2.
2. Pay the \$550 registration fee, we continue to have our Venmo account available for easy payments or payments can be made in the office. This fee will not be able to be stretched out or waived, please plan accordingly.
3. Make sure all outstanding debts to Sacred Heart School have been paid. Daycare, Lunch and any past tuition must be current, in order to enroll your student and reserve their spot. Contact office.

We have a limited number of available spots in our school this year. While this is a wonderful problem to have, we want to make sure we are serving our current families before accepting new families. Please call us with questions or concerns. We are here for you as we move forward together!

Thank you and be well,

Mrs. Michelena
