

THE HEART BEAT

SACRED HEART SCHOOL TURLOCK

VOLUME 12

From our Principal

Hello Sacred Heart Friends and Families,

Typically, at this time of year we are busy preparing for many end of the year activities. From the Teddy Bear Picnic and Kindergarten celebrations to 8th grade graduation and banner run, we are all missing our SHS traditions deep in our hearts. However, if this time has taught us anything it is that we are more than our traditions, we are a tight knit family who can endure more than we had ever imagined. We are held together by our faith in God. We are supported by one another and take comfort in knowing that we are here for each other. In true Sacred Heart fashion, you all came out with style last Friday night for our dedicated teachers. We held the most heartwarming, surprise drive through celebration for our amazing teaching staff last Friday night. So many of you came and showed your appreciation for our teachers, they were beyond happy. Thank you for showing them love and care. They really are the best. There is a lot of information in this Heartbeat, please read it in its entirety.

As always, stay healthy, stay safe and keep us all in your prayers.

In Christ,
Mrs. Sara Michelena

Thank you to...

we could not do it without you

The Father McElligott Foundation has been quietly working behind the scenes with our financial department since the beginning of the SIP order. They have been assisting us with our finances so we will not fall behind. The temporary closing of our Thrift Shop has put a significant financial strain on the school and without their help we would have suffered greatly. ***We would like to thank the Foundation Board of Directors for their dedication to Sacred Heart School and Catholic Education!***

a HUGE thank you to **Dean's Pizza** who was kind enough to partner with our school to do an ALL DAY fundraiser. It was such a success not only for us, but also for a SHS alumni family owned business. We were able to raise \$872.00 for our school!! Thank you to all our families and friends that supported such an awesome fundraiser!

TO OUR FAMILIES! Thank you to all of our families for attending our surprise Teacher Appreciation Week Parade. What a blessing our families are! Emotions and excitement were high as our families honored our teachers, who have been working so hard virtual teaching. It was such a joy to see our families driving through our parking lot. We miss you all so dearly!

May Crowning

On Friday, May 1st, the 8th grade students honored Mary from their homes with bouquets of flowers and rosaries while Victoria Acevedo and escort, Cristian Perez were able to crown the statue of Our Holy Mother in the church. The crowning of Our Blessed Mother is such a special 8th Grade tradition and we thank the church, Mrs. Magni, our 8th grade students and their families for still making it happen! In honor of the May Crowning Mass, the 8th graders are committed to praying the rosary each day during the month of May. Please join them!
