Room Parent:

We are looking for a few Room Parents for the 2020-2021 school year. We are in need of Room Parents for the following rooms: Kindergarten, 2nd, 3rd, 5th, 6th, 7th & 8th. Our Room Parent group is a unique and highly crucial component at Sacred Heart School. The goal is to have a minimum of 2 parents work with each class to help support the obligations of each classroom. These parents are asked to keep all parents in their classroom informed and provide support to the teacher. Room Parents receive full Parent Participation and Fundraising Points for the year. They are asked to secure Auction items for several events throughout the year. This year we will need our Room Parent's support more than ever. If you are interested in being a Room Parent please contact Carrie Lemon at, carriellemon@gmail.com.

The scholarship will be awarded, once the applications are reviewed, to your student in October 2020. The award will be for the current year and thus your contract will be adjusted after the start to the school year, if your student receives the scholarship, if you would like. The application will include information regarding academic excellence, Christian service, and personal voices of students. Our goal is to award scholarship monies to students who are already enrolled at Sacred Heart School for this school year.
