Hello Parents and Students of Sacred Heart Elementary,

My name is Ashley Charo and I will be your new Food Services Representative! I'd like to share a few things about myself:

- I've worked in the field of nutrition for 4 years.
- I graduated from Culinary School with my certification in Baking & Pastry.
- I am a mother of 4.
- I am currently majoring in Nutrition & Dietetics in hopes of becoming a Registered Dietician.

I understand that this has been a challenging year for our families and staff. I can assure you that I am committed to providing healthy meals during this time. With that being said, we will begin serving lunch beginning the week of **October 5th**. We will be partnering with Turlock Unified School District to ensure our students are given the proper nutrition during their time on campus. Ordering will take place via ParentsWeb. For the month of October, I will need your orders completed no later than **September 22nd**. Orders will need to be turned in monthly on the last Tuesday of the previous month. No later than that day. During ordering you may select between weeks, but you may not select specific days. I've attached the link to the Free and Reduced Lunch Application.

Thank you for all your cooperation, and flexibility at this time. I look forward to serving our students in the best way I possibly can!
