

THE HEART BEAT

SACRED HEART SCHOOL TURLOCK

VOLUME 17

From our Principal

Hello Sacred Heart School Families,

We have now been in school for one full month (in-person) and I could not be more proud of our students and staff for their commitment to the health and safety of our whole school community. I also need to give all of our parents a BIG round of applause as you have all helped us implement our reopening plan in so many ways. From keeping children home when they have the sniffles to donating soap and sanitizer to our classrooms, we are all so grateful to you for your generosity and care. Our students are resilient, faith-filled, generous, caring people who want to do their best and follow the rules and they HAVE! From the youngest to the oldest they have all followed the guidelines and continue to do so daily, we are so thankful for your support through all of this. I ask you to please help me thank our amazing, dedicated teaching staff who each do the job of many people, as they keep their students engaged on-line or in-person all at the same time! They truly are amazing educators and we are so blessed with their dedication and love for our school.

As we celebrated the feast day of St. Therese this last week, I encourage you to find the small sacrifices that can elevate others or give glory to our loving God.

Miss no single opportunity of making some small sacrifice, here by a smiling look, there by a kindly word; always doing the smallest right and doing it all for love. St. Therese

Most Sincerely,

Mrs. Sara Michelena
Principal
