From our Principal

Greetings Sacred Heart families,

Happy New Year!!

We pray the new year has met your family with good health and joy. We would like to take this opportunity to welcome our many new families to Sacred Heart School, we are blessed to have you here with us. The success of our school opening continues, and we are so proud of our school community for your commitment to our protocols. We are grateful for the guidance of the Stanislaus County Public Health department through all of this and we know that together we can carry on safely. Over the break we received some wonderful news, two of our students were selected as California state winners in the Imagine This essay contest. This is a very proud moment for us, and we congratulate Will Magni (8th) and Sofia Magni (4th) for their accomplishment!

Be well and take care of one another,

Mrs. Michelena

The schools in the Diocese of Stockton are blessed to have generous benefactors who understand the growing costs of educating a student and the impact these costs have on families.

SEEDS – Growing Faith through Student Scholarships was founded with the sole purpose to help children from families of lower socio-economic backgrounds to have the opportunity of a Catholic education.

ELIGIBILITY: All families registered in one of our Catholic elementary schools are eligible to apply for a SEEDS Scholarship.

PROCESS: If a family is interested in applying for a scholarship, the application timeline is as follows. Applications are accepted from **December 1st through March 15th** for the following school year. A family is to complete the application process by March 15th.

There is a \$35 per family application fee, which is paid by the family.

An application is considered complete and eligible for consideration when all the required documentation has been filed and verified by March 15th. Please note it can take up several weeks to verify information, so it is important to start well in advance of March 15th. Applications which are incomplete on March 16th will not be eligible for a scholarship. No later than early June, recipients of a SEEDS scholarship will be notified by the school administrator. Scholarships will be applied to the following school year.

SEEDS Scholarships are awarded as follows to qualifying families:

\$1,000 for the first child
 \$ 700 for the second child
