SEEDS Application 2021-2022

The schools in the Diocese of Stockton are blessed to have generous benefactors who understand the growing costs of educating a student and the impact these costs have on families. SEEDS – Growing Faith through Student Scholarships was founded with the sole purpose to help children from families of lower socio-economic backgrounds to have the opportunity of a Catholic education.

ELIGIBILITY: All families registered in one of our Catholic elementary schools are eligible to apply for a SEEDS Scholarship.

PROCESS: If a family is interested in applying for a scholarship, the application timeline is as follows.

Applications are accepted from **December 1st through March 15th** for the following school year.

A family is to complete the application process by March 15th.

There is a \$35 per family application fee, which is paid by the family.

An application is considered complete and eligible for consideration when all the required documentation has been filed and verified by March 15th. Please note it can take up several weeks to verify information, so it is important to start well in advance of March 15th. Applications which are incomplete on March 16th will not be eligible for a scholarship.

No later than early June, recipients of a SEEDS scholarship will be notified by the school administrator. Scholarships will be applied to the following school year.

SEEDS Scholarships are awarded as follows to qualifying families:

\$1,000 for the first child

\$ 700 for the second child

If you currently have a FACTS account, please use your login information.

We are still in terrible need of our student and staff bathrooms' exhaust fans to be repaired or replaced. If any of our families may be able to lend a hand or knows of anyone who could, it would be greatly appreciated!
